Re: CERCLA Off-Site Rule-January 3, 2003 Notice of Unacceptability  
Cotter Corporation Canon City Milling Facility

Dear Mr. Tuber,

It is Cotter's belief that the issues related to the above-captioned Notice of Unacceptability have been resolved. Accordingly, Cotter is requesting by means of this correspondence that the January 3, 2003 Notice of Unacceptability be rescinded.

If you should have any questions or require additional information, please contact me.

Sincerely,

Steven D. Landau  
Manager, Environmental Affairs
